**Jason MacMorran Appointed to AICPA Business Valuation Committee**

Postlethwaite & Netterville (P&N) is proud to announce that Director Jason MacMorran, CPA/ABV, CFF, CVA, has been appointed to serve on the American Institute of Certified Public Accountants' (AICPA) Business Valuation Committee.

The AICPA's Business Valuation Committee is focused on providing educational and professional support, guidance, and standards to business valuation professionals. Jason's role as a member of this committee will be to utilize his valuation experience to enhance and promote the objectives of the committee and of the AICPA as a whole. Jason has prepared, overseen, or contributed to hundreds of valuations of businesses, interests in businesses, intellectual property, and intangible assets.

P&N believes in participating where the policies and standards are being set which could impact our clients rather than learning about changes after the decisions have been made. This commitment to the profession has helped us better serve our clients and their interests. Jason MacMorran has consistently risen to this challenge, serving the accounting profession on the local, state, and national level.
