P&N Names New Director

Postlethwaite & Netterville (P&N) is pleased to announce that Dan Gardiner, CPA, MBSS, has been promoted to Director (shareholder) in P&N's Consulting division. He has been with the firm since 2008.

Dan's practice focuses heavily on project management and servicing clients through the use of technology to help them find efficiencies in their accounting processes. He helps clients identify solutions to business needs and guides them through the use of technology and business process change to address the needs of the organization. He then leads them through the project management process to ensure the greatest chance of success in meeting the scope, time, and cost requirements of the project.

"Dan has been instrumental in the growth of our technology consulting practice," says Managing Director Bill Balhoff. "We are excited about Dan's promotion and know he will do a great job."

Postlethwaite & Netterville (www.pncpa.com) serves privately held and public companies, non-profit entities, and individuals throughout Louisiana and the U.S. from its multi-office locations. The firm offers a full range of diversified services, including audit and assurance, internal audit and controls consulting, tax planning and preparation, business process reviews, small business consulting, litigation support, financial and business planning, business valuations, and technology consulting.
