**P&N Professionals Selected to Serve on the Baton Rouge Project Management
Institute Board of Directors**

Postlethwaite & Netterville (P&N) is proud to announce that three of its consulting professionals have been selected to serve on the Baton Rouge Project Management Institute (PMI-BR) Board of Directors.

P&N Associate Director Mark Staley, PMP, has been elected as President of (PMI-BR). Mark is a certified Project Management Professional (PMP) with extensive experience directing and participating in all phases of the project life-cycle for engagements of all scopes and sizes. Mark previously served as VP of Finance for PMI-BR.

Senior Consultant Dustin Mire, CAPM, has been elected as VP of Membership & Recruiting. Dustin is a Certified Associate in Project Management (CAPM) with substantial project management experience, assisting in the development, execution, and management of project plans for a broad range of clients.

Senior Consultant Drew Blanchard has been elected as VP of Communications. He has a broad range of experience in project management, assisting with the planning and execution of projects for clients in a variety of industries.

The Project Management Institute is an organization focused on providing educational and professional support to project management professionals. As members of the Board of Directors of the PMI Baton Rouge Chapter, Mark, Dustin, and Drew will utilize their project management experience to enhance and promote the objectives of the organization, as well as provide a forum for project managers in the greater Baton Rouge area.

P&N (www.pncpa.com) serves privately held and public companies, non-profit entities, and individuals throughout Louisiana and the U.S. from its multi-office locations. Services include audit and assurance, internal audit and controls consulting, tax planning and preparation, business process reviews, small business consulting, litigation support, financial and business planning, business valuations, and project management and technology consulting.
