**Ralph Stephens Appointed to AICPA CFF Credential Committee**

Postlethwaite & Netterville (P&N) is proud to announce that Director Ralph Stephens, CPA/ABV, JD, CFF, has been appointed to serve on the American Institute of Certified Public Accountants' (AICPA) CFF Credential Committee.

The AICPA's CFF Credential Committee is focused on providing educational resources, support, and guidelines for those CPAs that are Certified in Financial Forensics (CFF) or are seeking the CFF credential. Ralph's role as a member of this committee will be to utilize his forensic accounting experience to enhance and promote the CFF designation within the accounting profession. Ralph holds the CFF credential, and has extensive knowledge and experience in the area of forensic accounting.

P&N believes in participating where the policies and standards are being set which could impact our clients rather than learning about changes after the decisions have been made. This commitment to the profession has helped us better serve our clients and their interests. Ralph Stephens has consistently risen to this challenge, serving the accounting profession on the local, state, and national level.
