

Qualified Professionals

Delivering high quality, cost-effective client service depends to a great extent on the careful balancing of professionals who have appropriate industry and business knowledge, strong technical capabilities and well-developed interpersonal skills. P&N provides you with professional personnel who possess these qualifications.

P&N Consulting has a team of qualified, credentialed professionals who assist in providing litigation support and business valuations.

To speak with a member of our Business Valuation group, contact Ralph Stephens, CPA/ABV, JD at rstephens@pncpa.com or Jason MacMorran, CPA/ABV, CVA, MS at jmacmorran@pncpa.com.

Business Valuation Services

Business Valuation Services

From accounting and economics to taxation, and from financial statement analysis to business management, Postlethwaite & Netterville (P&N) brings an understanding of the issues across a range of industries to the valuation process. We provide value to more than just the numbers. We are able to interpret the importance of both financial and non-financial information to your valuation. Our team of professionals can analyze future trends to help you anticipate the challenges ahead. The benefit of having such insight may prove to be quite substantial—whether in litigation, buying or selling a business, or estate planning.

The Need for a Valuation

P&N Consulting provides valuation services on behalf of the owner, buyer, estate administrator, or legal team. The circumstances may include:

- Estate and gift tax matters
- Succession planning
- Mergers and acquisitions
- Buy-sell agreements
- Matrimonial dissolution
- Shareholder and employee buyout
- Litigation support
- Tax planning
- Purchase price allocation

Industries

We have valued businesses with several hundred thousand dollars in revenues to hundreds of millions of dollars in revenues. The industries we serve include:

- Media and telecommunications
- Banking and financial services
- Real estate and real estate development
- Manufacturing
- Industrial distributors
- Construction
- Retail and wholesale
- Marine
- Agricultural processors
- Professional practices
- Transportation
- Chemical and petrochemical
- Software and technology
- Healthcare
- Long term care
- Insurance and managed care
- Automotive

How You Benefit

P&N Consulting's valuation analysts offer you and/or your clients the following benefits:

- Advanced training and broad knowledge of finance, business, taxation, management, accounting, and economics
- Valuation credentials such as Accredited in Business Valuation (ABV) and Certified Valuation Analyst (CVA)
- Proven experience and competence in the complexities of business valuation
- Skill in selecting the most appropriate valuation methodology
- Objectivity and integrity in every valuation conducted
- Experience in providing expert witness testimony
- Knowledgeable analysts with education that includes Masters in Finance, MBA, and JD
- Access to cutting edge software and valuation databases and tools
