**P&N Tech's Hunter Guillory Obtains New Certification**

P&N Tech ([www.pntech.net](http://www.pntech.net)), a division of Postlethwaite & Netterville, Louisiana's leading accounting and business advisory firm, is pleased to announce that Hunter Guillory has achieved the CCIE Voice certification from Cisco Systems. Hunter is one of only 1100 professionals worldwide to earn the CCIE Voice certification. The Cisco Certified Internetwork Expert (CCIE) certification is accepted worldwide as the most prestigious networking certification in the industry. Network Engineers holding an active Cisco CCIE certification are recognized for their expert network engineering skills and mastery of Cisco products and solutions. The CCIE community has established a reputation of leading the networking industry in deep technical networking knowledge and are deployed into the most technically challenging network assignments.

P&N Tech is a resource for businesses and governmental agencies seeking implementation and consulting regarding their IT systems. By combining extensive technology and business process knowledge, we can provide a truly innovative approach to your information technology needs. Today, PNT enjoys a track record of more than 20 years of network integration sales and service in the areas of unified communications, server virtualization and storage and advance network design and installation.
