Postlethwaite & Netterville Named One of the Best Places to Work for 2009

Postlethwaite & Netterville (P&N), a top 100 U.S. public accounting firm based in Louisiana, was again selected as one of the Best Places to Work by *New Orleans CityBusiness*.

The rankings are based on a survey of employees and an assessment of firm benefits offered, including compensation, health benefits, paid time off, employee programs, events and activities, employee satisfaction and other similar items. P&N was one of only 50 greater New Orleans area companies honored in the large business category.

Joey Richard, Office Managing Director, is pleased with this recognition. "Being named as a 'best place to work' along with other outstanding businesses is a privilege we do not take lightly. This recognition reflects P&N's commitment to its people, who's talent and efforts directly impact our continued success. We continually assess our programs to support a culture that provides the best atmosphere and opportunities for our professionals while providing quality service to a diverse client base."

P&N (www.pncpa.com) provides audit, tax and consulting services, to individuals, privately-held and publicly traded companies and other organizations. Our services include audits, internal auditing, control assessments, tax planning and strategy, tax compliance, business consulting, litigation support, financial and business planning, business valuations, benefit analysis and technology consulting.
