P&N Releases Redesigned Website

Postlethwaite & Netterville (P&N) is proud to present its newly redesigned Website (www.pncpa.com). The revamped site went live earlier this month, and will continue to serve as P&N's main contact point for clients, recruits, employees, and others seeking information regarding the Firm.

To reflect the Firm's progressive mentality, the redesigned site features new graphics, updated content, a streamlined navigation structure, and new capabilities to accommodate video features. P&N has also enhanced the recruiting section to include additional insight into careers with the Firm.

P&N (www.pncpa.com) serves privately held and public companies, non-profit entities, and individuals throughout Louisiana and the U.S. from its multi-office locations. Services include audit and assurance, internal audit and controls consulting, tax planning and preparation, business process reviews, small business consulting, litigation support, financial and business planning, business valuations, and technology consulting.
